# EXPO 2020 DUBAI

At Expo 2020 Dubai, 50 questions may find 50 solutions

## EXPO 2020 DUBAI

Opportunities for shared thinking, collective development and trade and commerce have never been greater.

Under the theme of 'Connecting Minds, Creating The Future', the nations, organisations and visitors will explore the following spheres.

1 <b>Mobility</b> Where should we be living in 20 years?	9 <b>Sustainability</b> Can a business be 100% sustainable?	18 <b>Sustainability</b> What will rural look like in 20 years?	26 <b>Mobility</b> Will we ever populate another planet?	35 <b>Mobility</b> Should we be enthusiastic, or afraid of, AI?	43 <b>Opportunity</b> Who is leading the fight against fake news?
2 <b>Sustainability</b> Do urbanists drink the tap water?	10 <b>Mobility</b> What next for public transport?	19 <b>Opportunity</b> What is the next big tech breakthrough?	27 <b>Opportunity</b> Who are our community heroes?	36 <b>Mobility</b> What will replace the mobile phone?	44 <b>Sustainability</b> Which cities are confronting the urban challenge?
3 <b>Opportunity</b> How can we profit from the unprofitable?	11 <b>Sustainability</b> How do we solve the ocean plastic dilemma?	20 <b>Sustainability</b> Can developing countries leapfrog dirty fuel?	28 <b>Opportunity</b> How do you organise a technological revolution?	37 <b>Sustainability</b> Who is building our future?	45 <b>Mobility</b> What really happens between A and B?
4 <b>Mobility</b> What comes after 5G?	12 <b>Opportunity</b> How is the notion of privacy evolving?	21 <b>Sustainability</b> What does it take to change a lightbulb?	29 <b>Mobility</b> What is left to explore?	38 <b>Sustainability</b> Is it possible to be sustainable and affordable?	46 <b>Mobility</b> Will supersonic travel ever return?
5 <b>Opportunity</b> What is the essence of innovation?	13 <b>Sustainability</b> Who is leading the renewables revolution?	22 <b>Opportunity</b> Where will all the water come from?	30 <b>Opportunity</b> Where do the sparks of inspiration come from?	39 <b>Opportunity</b> Can art influence government?	47 <b>Opportunity</b> Where is the next silicon valley?
6 <b>Mobility</b> How can countries work together?	14 <b>Mobility</b> How is shipping tied to shopping?	23 <b>Sustainability</b> Who are the next Greta Thunbergs?	31 <b>Opportunity</b> Is Gen Z the end of the road?	40 <b>Mobility</b> What is the future of travel?	48 <b>Sustainability</b> How do we make sustainability universal?
7 <b>Sustainability</b> How will farming feed growing populations?	15 <b>Sustainability</b> Is it better to split local from global?	24 <b>Mobility</b> Have drones had their day?	32 <b>Opportunity</b> When will the next social network drop?	41 <b>Mobility</b> Will we need to work in an automated future?	49 <b>Mobility</b> When will electric vehicles overtake internal combustion engines?
8 <b>Mobility</b> What does population growth mean for movement?	16 <b>Opportunity</b> Who is making money from the weather?	25 <b>Sustainability</b> What can we do to make a difference daily?	33 <b>Opportunity</b> How does an ageing population work?	42 <b>Opportunity</b> Which developing countries influence developed ones?	50 <b>Mobility</b> When will the internet of things reach ubiquity?
	17 <b>Sustainability</b> Who owns the wind?		34 <b>Sustainability</b> Where is all the waste?
